

When is OET available in 2017?

The Occupational English Test (OET) assesses the language proficiency of healthcare professionals seeking to register and practice in an English-speaking environment. OET is accepted by all major health regulators in Australia, New Zealand and Singapore for registration, and the Australian Department of Immigration for all visa categories.

***Closing dates:** registrations close three weeks before the test date. It is important that you complete your registration as soon as possible as spaces are limited at venues.

** **Confirmation of results:** results are published to candidates' online records as soon as they are finalised. Official statements of Results are sent out approximately 7-10 business days after online results are published.

For more information and to register online go to www.occupationalenglishtest.org
