

## When is OET available in 2018 for the Americas Region? (New York, Canada, Mexico, Costa Rica, Chile, Argentina)

The Occupational English Test (OET) assesses the language proficiency of healthcare professionals seeking to register and practice in an English-speaking environment. OET is accepted by all major health regulators in Australia, New Zealand and Singapore for registration, and the Australian Department of Immigration for all visa categories.

\***Closing dates:** registrations close three weeks before the test date. It is important that you complete your registration as soon as possible as spaces are limited at venues.

\*\* **Confirmation of results:** results are published to candidates' online records as soon as they are finalised. Official statements of Results are sent out approximately 7-10 business days after online results are published.

For more information and to register online go to [www.occupationalenglishtest.org](http://www.occupationalenglishtest.org)
